Consent Agenda

SBOE - State Board of Education

The State Board of Education (SBOE) sets policies and standards for Texas public schools. The primary responsibilities of the SBOE include:

- Setting curriculum standards
- Reviewing and adopting instructional materials
- Establishing graduation requirements
- Overseeing the [Texas Permanent School Fund](#)
- Appointing board members to military reservation and special school districts
- Providing final review of rules proposed by the State Board for Educator Certification
- Reviewing the commissioner's proposed award of new charter schools, with authority to veto a recommended applicant

The board is made up of [SBOE members](#) elected from [single-member districts](#)

Board Committees

Although policy decisions must be made by the full board, much of the detailed preliminary work is completed in committee sessions usually held on the Wednesday or Thursday preceding each SBOE meeting. There are three primary SBOE committees and one Ad Hoc Committee:

- [Committee on Instruction](#) - has primary responsibility for issues dealing with curriculum and instruction, student testing, special education programs, and alternatives to social promotion.
- [Committee on School Finance/Permanent School Fund](#) - has primary responsibility for the preliminary work on issues dealing with the Permanent School Fund and school finance.
- [Committee on School Initiatives](#) - deals with issues such as appointing board members to military reservation and special school districts and rules proposed by the State Board of Educator Certification.
