

June 5, 2019

Dear State Board of Education Members,

After a careful review of the Generation Twenty-Four open-enrollment charter applications, impact statements, applicant interview testimony, staff recommendations, and input from State Board of Education members present at the capacity interviews, I am pleased to propose the granting of the following five (5) entities for charters:

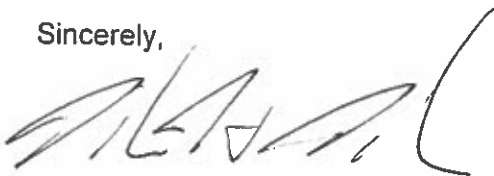

- Elevate Collegiate Charter School (Houston);
- Houston Classical Charter School (Houston);
- Royal Public Schools (Austin, Houston);
- San Antonio Preparatory Charter School (San Antonio); and
- The Gathering Place (San Antonio).

Pursuant to provisions outlined in Texas Education Code §12.101(b-0), please consider this your formal notification of the charters proposed for award.

As a reminder, the no-contact provision prohibits an applicant from contacting both Agency staff and SBOE members. However, you may initiate contact with an applicant should you choose.

Additionally, should you wish to review the capacity interviews, you may access all of them at http://www.adminmonitor.com/tx/tea/charter_interviews/.

Sincerely,

Mike Morath
Commissioner of Education
